PRODUCT END OF LIFE NOTICE

Red Lion® N-Tron 7900 and 7026TX Managed Switches

Red Lion Controls® announces the end of life of its N-Tron® Series 7900 and 7026TX Ethernet managed switches. Red Lion will honor its warranty obligation for in-warranty products and continue to offer repair services for out of warranty switches as long as parts remain available.

Recommended replacement:

Product	Replacement Options
7900 series CPU and 9000 backplane*	NT24K-DR24-DC
7026TX and 7026TX-AC switches	NT24K-AC1, NT24K-DC1, or NT328G-04SFP-AC1 rackmount switches

*9000 series modules will remain available for sale for use in existing 7900 Series switch installations.
